

Wedding Music Information

At Ss Peter and Paul, our Music Ministry seeks to provide music that reflects the beauty of each couple on their Wedding Day. The Couple will collaborate with the parish Music Director during the preparation process, who will guide them in selecting music that is meaningful, heartfelt, and unique.

Music from the Classical Period is best suited for this special and sacred day. Classical music offers a rich musical expression that memorably beautifies every moment of the Wedding Celebration. The music of this era underscores the Ceremony with grace, accompanying the Couple as they begin the next chapter of their lives together.

PLANNING YOUR MUSIC:

The **Musical Selections** list provided in this packet will help you select your preferred Wedding music.

Couples are welcome to request songs not featured on the provided list, but will only be included with review and permission from the Music Director and Pastor. All music selected must be in keeping with the sacred, liturgical nature of the ceremony.
